

25 Holiday No-Prep Task Cards

Grades 2-5 | Halloween and fall theme | Cut apart

Card 1 - Math

A pumpkin patch has 6 rows of 7 pumpkins. How many pumpkins in all?

Card 2 - Math

Mia collected 48 candies and shares them equally with 3 friends (4 people in all). How many each?

Card 3 - Writing

Describe a haunted house using sound words only - creaks, whispers, and thumps.

Card 4 - Reading

Read a fall poem or page aloud. Find 3 describing words and write what each one describes.

Card 5 - Science

Why do leaves change color in fall? Write 2-3 sentences in your own words after your lesson or reading.

Card 6 - Math

Costumes cost \$12, \$9, and \$15. What is the total? If you have \$40, how much is left?

Card 7 - Writing

Invent a friendly monster. Name it, describe it, and write what it does on Halloween night.

Card 8 - Word Work

How many smaller words can you make from the letters in PUMPKIN? List at least 5.

Card 9 - Math

A spider web design has 8 sections. If there are 5 webs, how many sections in all?

Card 10 - Kindness

Write a thank-you card for someone who makes fall fun - a coach, neighbor, or family member.

Card 11 - Reading

Summarize today's reading in exactly 12 words.

Card 12 - Challenge

October has 31 days. School is held on weekdays only this month in our class calendar - count them with your teacher and record the number.
